INSTITUTIONAL OVERVIEW

Introduction

The Women's Institute of Torah Seminary & College (WITS) was established in 1998 to serve as a religious educational setting for young Orthodox Jewish women. The founders recognized a need to provide young women with a sophisticated and inspiring Jewish studies program accompanied by a comprehensive, secular studies curriculum.

Since founding, WITS has provided a foundation and space for women to grow in Torah, acquire the education and skills to become accomplished professionals, learn the importance of contributing to the community, and thrive amongst a population that shares and respects Mosaic traditions and faith. To date, over 500 women have graduated with degrees from WITS and over 1000 women have graduated with regionally accredited degrees from other institutions offered in conjunction with WITS. Graduates have gone on to achieve success in a wide array of graduate programs and professions.

Mission and Vision

All WITS programs and initiatives are designed to support and advance the institutional mission and vision, which are as follows:

Mission

The mission of Women's Institute of Torah Seminary & College (WITS) is to provide Orthodox Jewish women with an in-depth, values-centered, academic experience in both Judaic and general studies.

Vision

WITS is a premier institution for Orthodox Jewish women that offers rigorous study of classical and contemporary Jewish schools of thought and in-depth analysis of text and literature. WITS provides an intellectual foundation in core subject areas, including arts, English language and composition, humanities, natural and social sciences, and mathematics, as well as pre-professional coursework. A WITS education enables graduates to enter professions in numerous fields or pursue further study in graduate schools. Via a distinctive values-centered approach to learning, academic programs promote traditional Jewish standards and prepare graduates for professional and Torah life.

Institutional Learning Goals

WITS adheres to a set of overarching institutional learning goals that are reflective of the mission. The institutional learning goals are as follows:

Upon completion of a degree from Women's Institute of Torah Seminary & College, a graduate will be able to demonstrate achievement of the following goals:

- *Jewish Knowledge and Values – Exercise Jewish law, tradition, and wisdom in personal and professional decision-making and leadership practices.*
- *Ethical Behavior – Make informed choices that reflect personal and professional ethics and respect for diverse views.*
- *Critical and Creative Thinking – Evaluate information based on skills of reasoning, problem solving, and analysis.*
- *Written and Oral Communication – Convey ideas effectively across diverse audiences and settings.*
- *Information and Technology Literacy – Utilize appropriate technology and research skills to locate and critically evaluate information from a variety of sources.*
- *Professional/General Skills and Knowledge – Apply understanding of the major conceptual, theoretical, and methodological foundations related to general education and the professional field.*

Accreditation and Licensure

WITS is nationally accredited by the Association of Institutions of Jewish Studies (AIJS). AIJS, an accrediting agency recognized by the US Department of Education, is located at 500 W. Kennedy Boulevard, Lakewood, NJ 08701 (732-363-7330).

WITS is approved as a degree-granting institution by the Maryland Higher Education Commission (MHEC) to offer Bachelor of Arts and Bachelor of Science degrees.

Diversity Statement

Consonant with the institutional mission, the WITS student body is composed of a community of women learners committed to the Orthodox Jewish faith. While these commonalities form the core identity, the institution embraces individual differences and respects diversity of thought, ideologies, beliefs, and backgrounds.

WITS is committed to creating an inclusive institutional culture that embodies and demonstrates the unifying power of Torah study. This commitment is illustrated by the following guiding principles:

- The learning experience at WITS prepares students to live and work in a diverse and global society. Academic discourse is expected to raise awareness of bias and promote practices that foster kavod ha'briyos of all persons and groups.
- Faculty and staff create a welcoming and accepting academic experience. Hiring practices aim to reflect an intentional and inclusive work and learning environment.
- In all interactions, WITS expects faculty, staff, and students to model behaviors and attitudes that value mutual respect, fairness, and acceptance of characteristics different from one's self.

Confidentiality and Notice of FERPA Rights

WITS adheres to the Family Educational Rights and Privacy Act of 1974 (FERPA). The act gives students and former students access to their official records, provides an opportunity to correct inaccurate or misleading statements, and ensures that records are not released to unauthorized persons without the consent of the student.

WITS does not publicize a student directory. Information that is deemed public information, including name, contact information, area of study, and degrees conferred may be released at the discretion of the institution. Students may request in writing that this information be withheld. The institution limits the release of other identifiable personal information.

Students have the right to inspect and review their records in the presence of the Student Services Coordinator. WITS transcripts do not contain the student's full social security number. Students may elect to sign release forms to release personal or educational records to a third party.

The administrative staff and faculty who have a valid, legitimate educational interest for review may gain access to student records, provided that the purpose is to fulfill professional responsibility on behalf of the institution. Students may elect to sign release forms to allow office personnel to access their academic or other information from other academic sources.

WITS may use written comments, letters, and/or essays written by students and photographs/videos of students taken at WITS functions for publicity, illustration, advertising, and website content.

Any student found to be in violation of the Student Code of Conduct will be subject to disciplinary sanctions.

Disciplinary Consequences

Serious violations of misconduct or patterns of behavior contradictory to the Student Code of Conduct and institutional mission will be submitted to the Conduct Board for review. The Conduct Board is comprised of four individuals (two members of the Senior Leadership Team and two faculty). The Conduct Board is charged with addressing matters of student misconduct and determining disciplinary action, where warranted. In determining any disciplinary action, the Conduct Board may consider actions up to and including expulsion.

Due Process

Students have the right of due process and may appeal a decision of the Conduct Board. To appeal a decision, a student must submit a written request to the Executive Dean/Menacheles for an appeal hearing with the Conduct Board. The request must be submitted within seven business days of receipt of the decision letter. The Executive Dean/Menacheles will schedule the appeal hearing within seven business days after receiving the written request. The appeal hearing will be held with the Executive Dean/Menacheles, the Ombudsman, and the student. Any decision stemming from the appeal hearing will be final.

STUDENT POLICIES AND PROCEDURES

Note: In addition to the policies and procedures presented in this section of the Student Handbook, students are required to be familiar with and adhere to all academic policies and procedures articulated in the Academic Catalog (wits.edu/academic-catalog). In research endeavors and creative activities, WITS faculty and students are free to cultivate a spirit of inquiry and scholarly criticism and examine ideas in an atmosphere of freedom and confidence. Faculty and students are free to study a full spectrum of ideas, opinions, and beliefs in acquiring maturity for analysis and judgment. Such ideas, opinions, and beliefs must be presented objectively and skillfully.

Academic freedom does not involve expressions that substantially impair the rights of others or the imposition of political, religious, or philosophical beliefs on individuals of the WITS community. WITS may prohibit expression that violates the law, defames specific individuals, constitutes a genuine threat or harassment, or articulates ideas, opinions, beliefs, or values deemed contradictory to the mission and values of the institution.

Academic Honesty Policy

Academic dishonesty is a very serious offense and is k'neged halacha. WITS students are expected to bear individual responsibility for their work, understand the practice of academic integrity, and maintain honesty and independence in all academic work. The expectation of academic honesty applies to all academic-related tasks, including take-home exams, comprehensive examinations, papers, and projects.

Definitions of Dishonest Activity

WITS considers cheating, plagiarism, collusion, copyright infringement, or any related activities to be acts of dishonesty that undermine the integrity of the academic process and which contradict the mission of the institution and the values of Orthodox Jewish faith. Certain acts of dishonesty are defined as follows:

- a. Downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement; and/or
- b. Scanning or copying pages of text without permission of the copyright owner.

Obligation to Report Academic Dishonesty

If a student observes any act(s) of academic dishonesty or has reliable information of another who has engaged in activity for the purpose of gaining an academic advantage, the student is obligated to report the occurrence(s) to the Academic Dean. Reports of such observations will be held in confidence.

Sanctions

Any student who attempts to compromise or devalue the academic process will be sanctioned. Alleged cases of academic dishonesty will be subject to due process. If misconduct or violations are proven, sanctions will occur in accordance with the following:

- First Offense – The offender will receive a warning, both orally and in writing, that describes the violation. The warning will specify the impact of the incidence on the assignment or course grade and indicate that any repeated occurrence of misconduct will result in more severe disciplinary action. Documentation of the violation will become a part of the permanent record of the student. If the first offense is deemed particularly egregious, the incident may be submitted to the Conduct Board for review and determination of disciplinary action.
- Second Offense – The offender will be removed from the impacted course and receive a grade of F for the course. The failing grade will be factored into the grade point average. The student may also be declined certain privileges or excluded from activities for an identified period of time as defined in writing. Documentation of the violation will become a part of the permanent record of the student. If the second offense is deemed particularly egregious, the incident may be submitted to the Conduct Board for review and determination of disciplinary action.
- Third Offense – The pattern of offenses will be submitted to the Conduct Board for review and disciplinary action hearing. The student will be permitted to be present at the hearing. The Conduct Board will render a decision. Documentation of the violation will become a part of the permanent record of the student.

Conduct Board

A hearing of the Conduct Board will proceed with the following responsibilities:

- Determine whether the allegations of academic dishonesty are warranted;
- Determine whether the party(ies) acted in violation of the Academic Honesty Policy; and
- Determine the disciplinary action, if warranted;
- Prepare written notification of the decision and resulting disciplinary action, if applicable.

In determining any disciplinary action, the Conduct Board may consider actions that include, but are not limited to, the following:

- Clearing the student(s) or wrongdoing;
- Issuing a written warning without additional penalty;
- Requiring participation in academic counseling or ethics training;
- Requiring completion of a task related to academic integrity or ethics;
- Denying access to experiences, such as internships or independent studies;

- Revoking scholarship support;
- Withholding honors or awards;
- Placing the student on probation;
- Suspending the student for one or more semesters; and/or
- Expelling the student from the institution.

Decisions of the Conduct Board involving suspension or expulsion require consultation and approval of the Executive Dean/Menahelles and Academic Dean. If readmission will be permitted, the conditions of readmission must be stated in writing in the decision letter of the Conduct Board.

Appeal Process

To appeal any decision of the Conduct Board, a student may submit a written request for an appeal hearing with the committee within 14 business days of the decision letter. The Academic Dean will schedule the appeal hearing within seven business days after receiving the student's written request. Any decision stemming from the appeal hearing will be final.

Academic Honors

Full-time students earning a grade point average of A 3.5 and higher are included on the Dean's List for that semester. This designation is noted on the transcript for each semester earned.

Upon degree conferral, the following Latin designations will be noted on the final transcript and on the diploma:

Cum Laude (With Honor) – Cumulative GPA 3.5 – 3.69

Magna Cum Laude (With High Honor) – Cumulative GPA 3.7 – 3.89

Summa Cum Laude (With Highest Honor) – Cumulative GPA 3.9 and higher

Academic Standards and Requirements

To remain enrolled, students must maintain a level of academic progress toward completing their degree. Students who fail to maintain the required standards risk loss of eligibility for aid and will be placed on academic probation or suspension.

The academic requirements are detailed in the Student Academic Progress (SAP) Policy, which is provided in the Academic Catalog (wits.edu/academic-catalog). The SAP Policy describes the requirements for academic progress and the impact of academic performance on enrollment and financial aid. Each student is responsible for their awareness of the SAP Policy. The full policy is also accessible online at wits.edu/sap.

Accommodating Students with Disabilities

WITS adheres to the mandates of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA). WITS provides reasonable accommodation(s) for qualified students who disclose and verify disability. Students who wish to discuss reasonable accommodation(s) for verifiable disabilities are responsible for identifying themselves to the Student Services Coordinator and providing the required verification of disability documents.

To receive reasonable accommodation(s), a student is required to provide documentation from a licensed clinical professional familiar with the history and functional implications of the impairment(s). Faculty will be informed if a student in one of their classes requires accommodation(s). Only students approved through this process should receive accommodation(s).

Documentation must include all of the following information:

- Name of student (patient)
- Diagnostic statement identifying the disability
- Description of current functional limitations
- Expected progression or stability of the disability
- Recommendation for accommodations, adaptive services, assistive services, and/or support services
- Medication prescribed, including possible side effects

If the original documentation is incomplete or inadequate to determine the extent of the disability or reasonable accommodation, WITS has the discretion to require additional documentation. A diagnosis or test performed by a member of the student's family is not acceptable documentation. Additionally, students requesting accommodations for the manifestations of multiple disabilities must provide evidence of all such conditions. All verification of disability documents, including individualized educational plans (IEPs), should be submitted to the Student Services Coordinator no later than the first week of the student's first semester at WITS.

Dropping Courses

- Kodesh courses may not be dropped after the start of a semester without written approval of the Executive Dean/Menacheles and proof of extreme circumstances.
- General studies courses dropped before the deadline to drop without a W as designated on the Academic Calendar will not show on transcripts.
- General studies courses dropped before the deadline to drop without an F as designated on the Academic Calendar will show as a W on transcripts.

- Students who stop attending a course without following the correct procedure will receive a grade of F for the course.

For courses being completed under partnership agreements with other institutions, a student must follow the add/drop policies of the other institution, as well as complete the appropriate paperwork with the Student Services Coordinator. A student may not add or drop such courses directly through the partner institution.

Campus Closure and Class Cancellation/Dismissal

In cases of inclement weather or other circumstances where safety could potentially be compromised, the campus may be closed, delayed, or dismissed and, accordingly, classes at WITS may be delayed, dismissed, or cancelled. Any decision regarding any campus closure, delay, or dismissal will apply to all administrative offices, events, and classes. In some instances, essential personnel may be required to report for duty.

Students will be notified of any dismissal, cancellation, or delay via their wits.edu email address, text message, and/or phone. Notices will also be posted on the digital board. It is the student's responsibility to check for these important updates. If there are severe weather conditions outdoors, students should remain inside the building and await further instructions.

Cell Phone Usage

Cell phone usage by students, including texting, is prohibited in classrooms and on the entire second floor of the building. Students must have cell phones turned off during class sessions. If a student uses a cell phone during class, the student can be marked absent. In addition, the faculty may ask the student to leave for the remainder of the class session.

Class Attendance

Class attendance is considered a critical element of student success. Students are expected to attend all class and laboratory sessions. Participation in class discussions and activities is also expected. Attendance is factored into course grades. Specific grading and attendance guidelines are found in the syllabus of each course.

Please note:

- Students are responsible for all material, assignments or exams missed during absences.
- Students who anticipate prolonged absences should inform the Menacheles and/or Academic Dean and their instructors.

Davening

Students are not permitted to daven (pray) during class time nor arrive late to class due to davening.

Drugs and Alcohol

WITS is committed to maintaining a drug-free campus for the benefit and protection of students, faculty, and staff. The full Drugs and Alcohol Policy is provided in the Academic Catalog (wits.edu/academic-catalog). The full policy is also accessible online at wits.edu/drug-alcohol-abuse. In general, the standards of conduct regarding drug and alcohol use by students are as follows:

- WITS does not tolerate any unlawful use, possession, or distribution of illicit drugs on WITS property or as part of any WITS-sponsored activities.
- Any student found to misusing drugs or alcohol off-campus is subject to the same reprimands and disciplinary sanctions listed for violation on-campus, up to and including suspension and expulsion.
- Responsible use of alcohol on or off premises by students over 21 while not encouraged, will be allowed as part of ritual services and celebrations and under the condition that the student makes no attempt to use a motor vehicle.
- Any student who uses drugs or alcohol in violation of the rules will be held

responsible, and censured severely, up to and including a meeting with the student's parents, and/or suspension

Email Accounts

Students are assigned a wits.edu email account. This account is noted as the primary email account on Populi and cannot be changed or deleted. All communication will be sent to the wits.edu email address only. It is the student's responsibility to check this email account on a daily basis. These accounts will be available for up to one year after completion of course study at WITS.

English Composition Requirement

Students must take ENG 101 in her first two semester on campus. Students will be exempt from ENG 101 only if they have official documentation of successful completion of an equivalent course or an AP score of at least 4.

Emergency Procedures, Evacuation, and Contacts

- Walk steadily. Do not run.
- Leave the building as directed or as designated in the emergency exit plan that is posted around the building.
- Close all doors as rooms are evacuated.
- Report to the designated evacuation areas.
- Remain in the designated evacuation areas until there is an all-clear signal or report.

Testing of the alarm system and practice drills are periodically performed to assure compliance with safety regulations.

Students may request to reschedule only one final exam per semester. Students should not consider their request approved until they receive approval from the Office of Academic and Student Affairs. A rescheduled final exam must be taken during the designated make-up exam slot. The proctor fee for final exams is \$35. Students applying to graduate school and requiring expedited transcripts must be aware that rescheduling a final exam will delay transcripts.

Hazing and Bullying

Hazing and bullying of members or prospective members of the WITS community shall not be tolerated. Hazing and bullying activities are defined as any action(s) taken or situation(s) intentionally created, whether off or on campus, to produce mental or physical discomfort, embarrassment, harassment, or ridicule to others.

Incomplete Grades

Granting an incomplete is at the discretion of the faculty member and the Executive Dean/Menacheles (kodesh courses) or the Academic Dean (general studies courses).

Changes of grade or adjustments to incomplete grades after the conclusion of the semester for contracted courses are in accordance with the policies of the contracting institution.

If granted an incomplete, a student will have until that semester's deadline to complete their missing coursework. Beyond that point, a student must petition in writing to the Executive Dean/Menacheles (kodesh courses) or the Academic Dean (general studies courses) for a further extension. Faculty are not authorized to grant individual extensions beyond the deadline. If no written request is submitted by the deadline, a student who has not completed the required coursework will receive a grade of F (Failure) for the course. The deadline for Fall Semester courses is May 15. The deadline for Spring and Summer semester courses is December 1.

Intellectual Property Rights

Seminary & College students have a requirement to take 21-credits of Jewish studies at the Baltimore campus (ISAP credits do not fulfill this requirement). A minimum of 15 Jewish studies credits must be completed in student's first year at the Baltimore campus. The remaining 6 can be completed over the course the degree. Students who submit the 'Request for Jewish Studies Overload' form may overload up to 6 additional credits of Jewish studies over the course of their degree at no additional tuition charge.

All full-time students (enrolled in at least 12 credits) are required to take at least one Judaic studies courses each semester or three credits over the course of the fall and spring semesters.

Laptop Usage

During class, if a student is found using a laptop for a purpose unrelated to the course, e.g., personal email, shopping, social media, etc., the student can be marked absent for the class session. In addition, the faculty may ask the student to leave for the remainder of the class session. Upon review, the Executive Dean/Menahelis (kodesh courses) or the Academic Dean (general studies courses) may determine this violation to be grounds for dismissal from the course.

Make-Up Exams and Late Work

WITS has a strict policy on the use of make-up exams and acceptance of late work. The policy is designed to promote a consistent and fair procedure for administering exams, quizzes, and related forms of learning assessment to students who were not in attendance at the officially scheduled time. The full make-up exam and late work policy appears in each course syllabus. Specific guidelines in the policy include, but are not limited to, the following:

- All students are expected to take exams as scheduled.
- Faculty may not excuse students from regularly scheduled exams without a compelling reason. A student requiring an extension or accommodation must make their request to the faculty member. The request must be approved by the faculty member prior to the day of the exam for the student to be allowed to take the exam at an alternate time. In the case of a last-minute emergency, a student should contact the faculty member as soon as reasonably possible. Informing the faculty demonstrates the derech erez (respect) expected of WITS students.
- Faculty have the right to deduct points or otherwise penalize students for late exams, with the exception of true medical emergencies.
- Faculty may not administer make-up exams. All exams must be scheduled with the Student Services Coordinator and completed in the WITS Testing Center. . It is the student's responsibility to schedule a make-up exam date and time. Under no circumstances should a student submit late exams directly to faculty.
- If a student arrives late to any exam without a valid, emergency excuse for the lateness, the exam must be completed in the remainder of the allotted time.
- Students may not negotiate with faculty for a different way to make-up a missed exam, e.g. substitute a paper, without the approval of the Executive Dean/Menahelis (kodesh courses) or the Academic Dean (general studies courses).

Personal Property

WITS is not responsible for personal property of students kept on campus. Any seforim or personal articles left after the end of each semester will be considered hefker.

Student Grievance Procedure

WITS seeks to foster the values of respect, fairness, integrity, and transparency among faculty, staff, and students. When a conflict arises that requires resolution, students are expected to attempt to resolve the matter directly with the relevant party(ies). In cases where direct communication proves unsuccessful or unsatisfactory, a student has the right to file a formal grievance without fear of coercion or reprisal under the following procedures:

Informal Dispute Resolution

WITS makes available an Ombudsman who offers a safe opportunity where faculty, staff, and students may discuss problems or issues. The Ombudsman provides confidential, neutral, and informal assistance in navigating options for solving problems, conflicts, and/or disputes that arise across the institution. The Ombudsman is an objective third party who acts as a resource with respect to navigating institutional rules, regulations, policies, procedures, and academic issues. The Ombudsman is dedicated to developing and implementing fair and equitable resolutions to individual or organizational concerns. The Ombudsman reports directly to the Executive Dean/Menahel and receives support from the Office of Administrative Affairs. Requests for assistance from the Ombudsman are received at ombudsman@wits.edu.

Formal Written Complaint for Academic Grievance

If a student has an academic grievance, such as a grade appeal or allegation of unfair grading practices, the student should confer with the respective faculty and administrator (Executive Dean/Menacheles for kodesh courses; Academic Dean for general studies) regarding the specific issue(s). If the student remains dissatisfied after consultation with the faculty and administrator, the student should submit a formal written grievance via an Academic Grievance Form. The Academic Grievance Form is available in the Office of Administrative Affairs and accessible on the WITS website. The Academic Grievance Form provides instructions on preparation of the written grievance.

The student (grievant) shall submit the Academic Grievance Form to the Office of Administrative Affairs. If the grievant is uncomfortable submitting the form personally, the grievant may submit the completed form to the Ombudsman, who shall forward the complaint to the Office of Administrative Affairs.

The Office of Administrative Affairs shall forward the complaint to the Grievance Committee who will investigate the details of the complaint/grievance.

The Academic Grievance Form shall be reviewed by the Grievance Committee who will investigate the details of the grievance. The Grievance Committee is comprised of the following members: a) Executive Dean/Menacheles, b) Academic Dean, c) President of the Board of Directors, and d) One part-time faculty member. If any of the individuals on the Grievance Committee is a party to the grievance, he or she will recuse himself/herself from the process.

A response to the grievance shall be provided to the grievant within two weeks of the formal request for consideration, unless more time for investigation is needed. Any decision of the Grievance Committee is deemed final.

Formal Written Complaint for Non-Academic Grievance

If a student has a non-academic grievance, such as an allegation of physical abuse or lack of accommodations for a physical disability, the student should seek clarification and resolution, where appropriate, with the relevant faculty or staff member regarding the specific issue(s). The student should also consult with the Executive Dean/Menacheles and/or Academic Dean. If the student remains dissatisfied, or does not feel comfortable approaching the faculty or staff member directly, the student should submit a formal written grievance via a Non-Academic Grievance Form. The Non-Academic Grievance Form is available in the Office of Administrative Affairs and accessible on the WITS website. The Non-Academic Grievance Form provides instructions on preparation of the written grievance.

The student (grievant) shall submit the Non-Academic Grievance Form to the Office of Administrative Affairs. If the grievant is uncomfortable submitting the form personally, the grievant may submit the completed form to the Ombudsman, who shall forward the complaint to the Office of Administrative Affairs.

The Office of Administrative Affairs shall forward the complaint to the Grievance Committee who will investigate the details of the complaint/grievance. The Grievance Committee is comprised of the following members: a) Executive Dean/Menacheles, b) Academic Dean, c) President of the Board of Directors, and d) One part-time faculty member. If any of the individuals on the Grievance Committee is a party to the grievance, he or she will recuse himself/herself from the process.

A response to the grievance shall be provided to the grievant within two weeks of the formal request for consideration, unless more time for investigation is needed. Any decision of the Grievance Committee is deemed final.

Complaints Pertaining to Institutional Licensure or State Approval

A complaint pertaining to occupational licensure requirements is to be submitted to the appropriate licensing board or entity. WITS is approved by the Maryland Higher Education Commission (MHEC). For a complaint involving a college or university, MHEC requires that a student must first exhaust the complaint/grievance procedures established by the institution. Complaints can be filed with MHEC using the following procedures shown in the following table.

MHEC Complaint Process
<p>A student or faculty personnel may submit a complaint in writing to MHEC when it involves an alleged violation of the Education Article, COMAR, or college or university policy, but only after the student or faculty member has first exhausted the complaint/grievance procedures established by the institution. Should the opinion of the complainant be that the complaint has not been resolved appropriately by the institution, the complainant may submit an official complaint to the Maryland Higher Education Commission (MHEC) in writing; students should use the College and University Student Complaint Form and faculty personnel should use the College and University Faculty Complaint Form. The Faculty Complaint Form is not used to make a complaint against a professor or faculty personnel.</p> <p>To file an official complaint, a signed College and University Student Complaint Form or College and University Faculty Complaint Form must be submitted to MHEC with copies of supporting documentation included. The complaint documents are to be submitted to:</p> <p>Director of Academic Affairs Maryland Higher Education Commission 6 N. Liberty Street, 10th Floor</p>

Baltimore, MD 21201
Fax: 410-332-0270
Email: collegiatecomplaint.mhec@maryland.gov

College and University Student & Faculty Complaint Forms can also be retrieved at: https://mhec.maryland.gov/institutions_training/Documents/acadaff/MHECStudentComplaintForms.pdf. Within 10 business days of receipt of an official complaint, MHEC will acknowledge its receipt and begin investigating for evidence of violation of the Education Article, COMAR, or institutional policy.

A copy of the complaint and supporting documents will be provided to the College or university President. MHEC will require the President to look into the matter and provide a written report back to MHEC within 30 business days of receipt of MHEC notification. MHEC staff may interview the institution employees, students, or the student complainant as part of its investigation.

MHEC may take regulatory action based on its review and in accordance with the Education Article and COMAR Title 13B, and the manner for which the institution is approved to operate.

MHEC will inform the student or faculty complainant and the college or university President in writing of its determination(s).

Complaints pertaining to matters other than those addressed in the Education Article or COMAR Title 13B, or pertaining to the institution's approved policies, will not be entertained by MHEC, nor will it be referred to another agency or organization.

Complaints Pertaining to Institutional Accreditation

A complaint concerning compliance with the standards of accreditation is to be submitted to the institution's accrediting body. WITS is accredited by the Association of Institutions of Jewish Studies (AIJS). Complaints can be filed with AIJS using the following procedures shown in the following table.

AIJS Complaint Process

Complaints regarding accreditation should be submitted to:

Association of Institutions of Jewish Studies
500 W. Kennedy Boulevard
Lakewood, NJ 08701-2620
Phone: 732-363-7330; Fax: 732-415-8198
Email: nlandesman@theaijs.com

Complaints that are received by AIJS concerning an AIJS-accredited institution will be handled according to the following procedures. Within 10 days of receipt by AIJS, the complaint is screened to see if it has any face validity and if it is relevant to AIJS' role in accrediting and overseeing the institution. This generally means that the complaint has to address an institutional issue that bears on compliance with AIJS's Standards for Accreditation.

If AIJS determines that the complaint does not fit into AIJS's responsibilities, the complaint will be acknowledged and replied to as not being within the purview of AIJS. As a courtesy, a copy of the complaint will be forwarded to the institution, and the case will be closed. If AIJS determines that the complaint is relevant to its accreditation Standards or policies, or if it falls within AIJS' oversight responsibilities, AIJS will contact the institution and forward the complaint to the institution. AIJS will then allow 30 days for the institution to respond to AIJS that it has reviewed the matter and either resolved the complaint to the complainant's satisfaction or otherwise dealt with the issue in accordance with the institution's published Grievance Policy. An explanation of its actions is required, as well as a statement that the institution certifies that it followed its own published Grievance Policy. AIJS will then review the institution's response and Grievance Policy.

If the institution informs AIJS in its response that the complainant did not follow the complaint policy of the institution, AIJS will instruct the complainant to follow the complaint policy of the institution. If the complainant claims to have followed the institution's published Complaint Policy, and the matter is not resolved to the satisfaction of the complainant, AIJS will make a determination as to whether the complainant did actually follow the institution's complaint policy. If it is determined by AIJS that the institution did in fact follow its published Complaint Policy, and followed through with a proper disposition, the complainant will be so informed, and that case will be closed.

If AIJS determines that the institutions did not in fact follow its own published Complaint Policy, or if the matter involves issues to substantially question the institution's compliance with AIJS Standards or policies, AIJS will launch an inquiry into the issue within 10 days. AIJS will ask for documentation from the complainant, substantiating the complaint, and an explanation of the disposition from the institution (which should document how the institution followed its own Complaint Policy and procedures).

Within 10 days of the receipt of these above materials, the executive director of AIJS, together with the chairman of the Executive Accrediting Council (EAC), will review the complaint file to determine if the institution complied with AIJS standards and policies. AIJS will contact the institution and allow the institution the opportunity (30 days) to review the matter and provide an explanation and/or additional information to AIJS.

If after receipt of the institutional response and a review of any additional documentation, AIJS makes a final determination that the institution is not in compliance with AIJS standards and/or policies, a formal corrective action plan will be required from the institution within 30 days.

If the response is accepted by AIJS, both the complainant and the institution will be so advised, and the case will be closed. If the corrective action plan is not accepted by AIJS, the matter will be placed on the agenda of the EAC to determine if an adverse action, or other sanction should be initiated against the institution for noncompliance with AIJS Standards of Accreditation.

AIJS will make a good faith effort to address anonymous complaints against an accredited institution or against AIJS itself and treat it in a similar manner to a regular complaint. Obviously, there is no mechanism to respond directly to an anonymous complainant. All complaints received by AIJS regarding an accredited institution will be filed and stored in an easy and accessible manner. Site visitors will be given access to the file of an institution that is being reviewed, and any complaints on file in AIJS will be considered in the final decision of the EAC.

STUDENT SUPPORT AND RESOURCES

Advising

Academic Advisors meet individually with new students to assist with the design of individualized program plans. Each program plan denotes previously earned credits, courses required for the chosen degree, and courses needed to meet graduate program prerequisites. Students are responsible for checking program plans for accuracy and for monitoring their academic progress to ensure that they are fulfilling all degree requirements. Program plans are reviewed and updated each semester.

After the first term of enrollment, advising sessions are held prior to each registration period and/or as needed. Appointments with Academic Advisors may be scheduled online throughout the year at go.oncehub.com/wits.

Academic Advisors are available to discuss graduate school and career options. However, students are responsible for researching the criteria and requirements for their intended career. Career counseling and vocational testing are also available.

Students should consult with an Academic Advisor for guidance and assistance in the graduate school application process. In addition, the following are recommendations provided to assist with the application process:

- It is recommended to research the desired program, prerequisites, and application process in order to understand the requirements.
- It is recommended to check deadlines for each graduate program of interest and submit all paperwork and transcripts by the specified deadlines.
- If a graduate program requires an entrance exam, e.g., GRE, LSAT, MCAT, TEAS, etc., it is recommended to check to see when the exam will be administered. Exams should be taken early enough to allow results to reach the intended graduate school prior to the application deadline.
- It is recommended to request recommendation letters at least six weeks in advance of the application deadline.

Career Services

Each year, WITS provides a Career Day that enables students to explore an array of career choices. Students can meet one-on-one with professionals from many fields. Other career services, such as an annual Resume Writing & Interview Seminar and

Assistance is also available for resume writing and application essays. Students in need of academic support or assistance with their studies should consult an Academic Advisor for tutoring referrals.

CAMPUS SAFETY

Campus Security and Crime Prevention

WITS is concerned with the safety and security of students, faculty, and staff at all times, both on-campus and off-campus. Surveillance cameras are installed across the campus and the Northwest Citizens Patrol (NWCP) is on patrol at late hour dismissal times.

Security-related procedures and protocols are as follows:

- *Campus Crime Reporting Procedures* – Immediately after witnessing a crime, a student or employee must notify the nearest police station. In the event of any danger or risk, such as a bomb threat, suspected criminal, or suspicious character on premises, etc., any witness should discreetly and cautiously notify the senior administrative staff member on campus. This individual will provide immediate notification to all students and employees as to precautions to take while avoiding panic. All crimes will be brought to the attention of the Executive Dean/Menacheles, who serves as the liaison with the local police in coordinating information and keeping students informed. Relevant crime information will be publicly announced to the student body within 24 hours of a crime.
- *Access to Facilities* – Access to the campus building is restricted to approved students and employees, as well as authorized visitors. Entry to the building is securely locked at all times. The campus building is secured by electronic door locks and a key fob is used to control the locking mechanism. Key fobs are assigned to employees and students and are non-transferrable. Key fobs cannot be borrowed or loaned and should be kept safely. The loss of a key fob must be immediately reported to the Office of Administrative Affairs, at which time the key fob will be deactivated.
- *Campus Law Enforcement* – WITS maintains no security department of its own. Students and employees must always be mindful of their responsibility for the welfare of themselves, as well as their peers and others. Any student or employee who is witness to a dangerous or suspect situation is expected to immediately communicate with a law enforcement agency.
- *Counseling and Mental Health Services for Crime Victims* – Students who wish to seek counseling or mental health services may contact the Executive Dean/Menacheles who will provide referrals to licensed counselors. Students may also submit confidential requests for counseling or mental health services by emailing counseling.services@wits.edu. The counseling email is monitored by a licensed professional who will confidentially work with a student to provide referrals to appropriate services.

- *Monitoring of Crime at Off-Campus Organizations* – WITS does not authorize off-campus organizations.
- *Programs to Educate Students and Employees about Campus Security Procedures and Crime Prevention* – Students and employees are expected to review all security materials carefully and strictly adhere to all policies. Students and employees are expected to observe rudimentary safety precautions, such as traveling in groups after dark and in high crime areas. At the beginning of each academic year, security policies and procedures are presented and discussed at the student orientation session. All security policies are also detailed within the Student Handbook.
- *Annual Disclosure of Crime Statistics* – WITS annually discloses required crime statistics to the Federal Government. Statistics are available to the public at wits.edu/consumer-information.
- *Statistics for Most Recent Calendar Year (and last two as available) of Crimes Reported to Police* – Statistics are available to the public at wits.edu/consumer-information.
- *Statistics on Liquor, Drug and Weapons Abuses* – Statistics are available to the public at wits.edu/consumer-information.

Firearms and Weapons

No firearms or ammunition are permitted on campus or in outdoor areas of the campus or in conjunction with any WITS-sponsored activity.

For the purpose of this policy, BB guns, illegal knives, blowguns, swords, slingshots, bows and arrows, crossbows, and similar devices are considered dangerous weapons, and their possession and use are prohibited. Explosives of any type, including fireworks, firecrackers, cherry bombs, bottle rockets, and similar devices are prohibited at all times. Items such as airsoft guns, paint guns, paintballs, darts, knives, mace, pepper spray, or other realistic toys or replicas used inappropriately, or in contexts for which they are not intended, will be treated as dangerous weapons.

All firearms, explosives, and dangerous weapons will be confiscated. The only exception to this policy is the legal possession of firearms or weapons by law enforcement officers in the course of their duty.

Missing Student Notification

Should a student, employee, or any individual become aware of a student missing for 24 hours, he/she must immediately notify the Executive Dean/Menacheles, who will then contact the local police.

If the student is a minor under 18 years of age, the institution will notify the parent or guardian.

If the student is over 18 years of age, the institution will notify the appropriate custodial parent or guardian not later than 24 hours after it is determined that the student is missing.

Title IX Policy (Sexual Misconduct and Sexual Violence)

WITS is committed to maintaining an environment where all students are granted equal access to education based on the federal Title IX of the Education Amendments of 1972, and subsequent revisions.

WITS will adhere to a strict policy with regard to sexual violence, which includes any form of sexual assault, domestic violence, dating violence, stalking or any other form of sexual misconduct. WITS has developed a policy to promptly and effectively respond to any incident of sexual violence or sexual misconduct in accordance with the Title IX Final Rule.

WITS takes as a serious responsibility the obligation to address all incidents of sexual misconduct, violence, and offensive or inappropriate demeanor that take place in the educational program or activity. Policies are articulated that address behaviors falling under the following three categories:

- Quid pro quo harassment by an institutional employee;
- Unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that the conduct denies a person equal educational access; and
- Instance of sexual assault (as defined in the Clery Act), including dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA).

WITS strives to go beyond compliance and is dedicated to maintaining a supportive environment for victims of abuse and discrimination. WITS makes available a list of resources and support that are culturally sensitive to Orthodox Jewish victims.

WITS has a designated Title IX Coordinator who is responsible for ensuring that the formal complaint and grievance process is carried out in accordance with the protocol

set forth in this policy. A key principle throughout this policy is to ensure the safety and privacy of all parties. Any student who is the victim of sexual misconduct or any person, employee, or student who has witnessed sexual misconduct may report the incident to the Title IX Coordinator. All students, faculty, and staff, as well as applicants for admission and employment, are formally notified of the Title IX Coordinator's name and contact information, which is also available on the institutional website (wits.edu) as follows.

Ellyn McLaughlin, EdD
6602 Park Heights Ave, Baltimore, MD 21209
emclaughlin@wits.edu
Phone: 410-358-3144, Extension 25

The full Title IX is provided in the Academic Catalog (wits.edu/academic-catalog). The full policy is also accessible online at <https://www.wits.edu/consumer-information>.

CAMPUS LIFE AND ACTIVITIES

Daily Notifications

Important information, including changes to class schedules, upcoming deadlines, special Shiurim, Yemei Iyun and events, etc. will appear on the Digital Board in the Student Lounge and on the website under Current Students - Daily Notifications. It is the student's responsibility to check the Digital Board and/or the Daily Notifications throughout the day.

Lectures and Y'mei Iyun

Throughout the year, world-renowned lecturers are invited to speak at WITS. These speakers add depth to the learning experience. Attendance at these events is required. Y'mei Iyun dates are available on the Academic Calendar and posted on the digital board. Special lectures will also be posted on the digital board.

Student Lounge

WITS provides students with access to a student lounge. The student lounge is a welcoming and comfortable space where students can relax, socialize, and enjoy meals. There space includes a seating area with couches, tables, and chairs. Students can store and prepare their food in a kitchen area, which provides microwaves, refrigerator, sink, coffee and tea service, vending machines, and a water cooler. The student lounge also provides four computers and two printers for student use. The digital board in the student lounge provides students with information about upcoming events and deadlines, as well as schedule changes, class cancellations, and campus closure information.

Student Organizations

WITS encourages student organizations that support the learning environment and which help prepare students for living and working in a global community. WITS also encourages an active Student Activities Council that provides input and insight into campus life matters.

Students should seek the assistance of the Student Services Coordinator in exploring possible interest in a proposed new organization. If significant interest exists, students can request that a new organization to become recognized. The formal process for an organization to become recognized is as follows:

- Create an organization constitution that includes, at minimum, a statement of purpose, criteria for membership, and rules and procedures.

- Prepare a list of proposed officers.
- Identify an advisor.
- Submit all material to the Executive Dean/Menacheles who will review the request and provide a response.

Student organizations must be open to all students. Active membership must be limited to members of the WITS community (students, faculty, staff, and administration).
